2025 Combatting Hate Crimes Grant Program Funding Opportunity
Guidelines and Application Procedures

I. Introduction

The Virginia Department of Criminal Justice Services (DCJS) is pleased to announce the availability of grant funds to assist organizations in combatting hate crimes. DCJS is soliciting applications to make competitive grants to local governments which have established partnerships with eligible non-profit, 501(c)3 institutions, and organizations that have been targets, or are at risk of being targets, of hate crimes.

The goal of this program is to minimize bias-motivated incidents by providing funding that supports institutions and/or nonprofit organizations within a locality that may be at risk for targeted, bias-motivated violence based on race, religious conviction, color, gender, disability, gender identity, sexual orientation, or national origin.

Per the *Code of Virginia* § 52-8.5,

“Hate crime” means (i) a criminal act committed against a person or his property with the specific intent of instilling fear or intimidation in the individual against whom the act is perpetrated because of race, religion, gender, disability, gender identity, sexual orientation, or ethnic or national origin or that is committed for the purpose of restraining that person from exercising his rights under the Constitution or laws of the Commonwealth or of the United States; (ii) any illegal act directed against any persons or their property because of those persons' race, religion, gender, disability, gender identity, sexual orientation, or ethnic or national origin; and (iii) all other incidents, as determined by law-enforcement authorities, intended to intimidate or harass any individual or group because of race, religion, gender, disability, gender identity, sexual orientation, or ethnic or national origin.

Eligibility

- This grant announcement is open to local governments within the Commonwealth that have established partnerships with non-profit organizations or institutions within their jurisdiction. All applications **must be submitted by the local government**. One application per locality may be submitted but the application may include multiple partnerships with separate nonprofits, organizations, or institutions.
- **Twelve months** is the maximum length of time that grant funds will be awarded to support the Hate Crimes Grant Program.

II. Grant Application Deadline

Applications must be submitted in the DCJS Online Grants Management System (OGMS) no later than 5:00 p.m. on October 7, 2024. The system will not allow applications to be submitted after the deadline, therefore, late applications will not be considered. Allow time for any possible technical difficulties you may experience since the application will not be accepted after the deadline. Instructions on how to register in OGMS are available as an attachment. If you have not already done so, it is recommended that you register for OGMS as soon as possible as the registration process can take several days.

III. Amount Available

The amount of funding available for the Combatting Hate Crimes Grant Program is determined by the state budget bill. On May 13, 2024, Governor Youngkin signed the 2025–2026 biennium budget bill that included \$3,500,000 for the FY2025 fiscal year to fund the Combatting Hate Crimes Grant Program.

The maximum amount that may be requested is \$150,000 per locality. Localities are expected to collaborate with eligible non-profit, 501(c)3 institutions, and other similarly situated organizations within their jurisdiction that have been targets, or are at risk of being targets, of hate crimes. Organizations that have conducted a threat assessment with their local crime prevention officer within their locality to identify and address their most critical vulnerabilities are most likely to be funded.

Applications requesting more than \$150,000 will not be considered.
