

PARTICIPANT HANDOUT-ACTION STEPS TO ENHANCE THE APPROACH TO THREAT ASSESSMENT

Record your observations and reflections

Throughout the training it is advised you note observations and reflections on what you are learning as it applies to your setting. Ideas, innovations, and contacts of your colleagues in the room can also be of great value in helping enhance how Threat Assessment is implemented in your setting.

Use the  side of the sheet to note strengths and immediate opportunities.

Use the  side of the sheet to candidly note gaps or weaknesses in the current approach.

Record your Action Steps – What can you/your Team commit to achieving without being over-ambitious!
